Museum Exhibit Installer

Displayco Edmonton

Job Description

At Displayco we specialize in building unique and exciting exhibitions and environments.

The preferred candidate will have experience in one or more of the following fields: construction labor, assembly of cabinets, counters and wall panels, read and interpret blueprints/drawings and execute fabrication of custom millwork, operate a variety of woodshop equipment, hand tools, power tools and equipment to assemble custom exhibits through various activities including cutting, planning, drilling, routing, and edge banding, and operate a variety of portable power tools for assembly work such as jig saws, routers, drills and sanders. Maintain a safe and clean work environment.

Essential Job Functions:

- Installation of exhibit components including but not limited to, working with a variety of materials, floors, unistrut metal framing, cases, graphics, text panels, photographic murals, and vinyl wall graphics.
- Cooperate with in-house staff, contractors, other temporary help, and vendors to meet exhibit deadlines.
- Work collaboratively in a team environment with a spirit of cooperation.
- Display excellent communication skills required in working with co-workers, contractors, other temporary help and vendors.

Requirements:

- High School Diploma.
- Experience in carpentry and/or exhibit production.
- Must be skilled in use and care of hand and power tools, working with a variety of materials, wood, glass, plastic, and adhesives.
- Able to lift or move up to 50 pounds.
- Able to occasionally work weekends and overtime.
- Able to work in a safety sensitive environment.
- Able to provide a current Police check.

Job Type: Temporary Contract Position

Do you meet the requirements for this challenging role? If so, please forward your resume and detailed qualifications to laddie@displayco.ca attention: Michael Laderoute.

We would like to thank all applicants for their interest; however only those candidates selected for an interview will be contacted.
